

THE ATTRIBUTES SERIES – Part IV  
“God is Omnipotent”  
Pastor Larry Webb

---

A.W. Tozer said, “What we believe about God is the \_\_\_\_\_  
\_\_\_\_\_ thing about us.”

ONE...God is omniscient means **He knows it!**

TWO...God is omnipotent

Reference: **Revelation 19:6** (see screen)

Additional references: **Revelation 4:8; 11:16-17; 15:3** (see screen)

**Omnipotent** - The prefix *omni* means all and *potent* means power; so omnipotent means all power. God has all power. In simplistic language the fact God is omnipotent means \_\_\_\_\_!

God is omnipotent means four fundamental things:

**One**...God can do \_\_\_\_\_.

Reference: **Matthew 19:26; Job 42:1, 2** (see screen)

**Two**... \_\_\_\_\_ is even \_\_\_\_\_ for God to do.

Reference: **Jeremiah 32:17** (see screen)

**Three**...God is never even \_\_\_\_\_ after He’s exercised His power.

Reference: **Psalms 121:4; Isaiah 40:28; Genesis 1:1-2; Hebrews 1:3** (see screen)

**Four**...God can only do that which is \_\_\_\_\_ with Himself as God.

Some biblical examples of specific things God cannot do because they would be inconsistent with who He is as God:

- God cannot \_\_\_\_\_.  
Reference: **Titus 1:2** (see screen)
- God cannot be \_\_\_\_\_ by sin and He cannot \_\_\_\_\_ someone else to commit sin either.  
Reference: **James 1:13** (see screen)
- God cannot \_\_\_\_\_ Himself.  
Reference: **2 Timothy 2:12-13** (see screen)
