

## THE ATTRIBUTES SERIES-Part X

“God is holy”

Pastor Larry Webb

---

To ignore God’s holiness is most unfortunate because divine holiness is essential to **all** God’s attributes; i.e. God’s goodness is a **holy** goodness, God’s omnipresence is a **holy** omnipresence, God’s grace is a **holy** grace, etc.

References: **Luke 1:49, Psalm 89:35a, Leviticus 19:2** (see screen)

Definition: The holiness of God is His **intrinsic** (essential to) and **transcendent** (above and outside of) **pure** (sinless and righteous)

\_\_\_\_\_.

References: **Isaiah 40:18, Exodus 15:11** (see screen)

Three basic statements to help us better understand God’s holiness:

ONE... God’s holiness requires Him to see \_\_\_\_\_ as \_\_\_\_\_.

References: **Proverbs 15:3, Amos 5:12a, Psalm 90:8** (see screen)

Catholicism teaches sin exists in two different categories: venial sins and mortal sins.

- Venial sins are considered \_\_\_\_\_ sins that do not result in someone being assigned to eternal punishment.
- Moral sins are considered \_\_\_\_\_ sins that unless those sins are confessed to a priest and forgiven then those sins result in someone being assigned to eternal punishment in hell.

TWO... God’s holiness requires Him to \_\_\_\_\_.

Reference: **Psalm 45:7a, Deuteronomy 25:16, Proverbs 3:32a, Proverbs 15:26a** (see screen)

References: **Psalm 5:5b, Psalm 11:5b, Proverbs 6:16-19** (see screen)

More references: **Leviticus 20:33, Hosea 9:15, Romans 9:13**

THREE... God’s holiness requires Him to \_\_\_\_\_.

Reference: **Deuteronomy 32:41b, Psalm 7:11, Nahum 1:2-6, Romans 1:18; Psalm 73:17, John 3:36** (see screen)
