

HAND ME ANOTHER BRICK – Part VII

“Organization Matters”

Reference: **Nehemiah 3:1-32**

Pastor Larry Webb

Throughout this 2-part message we’re going to pull from this passage some of the organizational principles Nehemiah used in reconstructing this wall around ancient Jerusalem.

ONE...The _____ Principle

Notice, Nehemiah organized around natural groupings of people who were already associating together.

Reference: **Mark 6:39, 40** (see screen)

Principle: The strongest organizations are the _____.

TWO...The _____ Principle

Notice the diagram illustrating the configuration of the Jerusalem wall at the time of Nehemiah.

The critical word is _____, mentioned 13 times.

Reference: **Exodus 18:13-27** (see screen) There’s a temptation to dump instead of delegate and there is a difference.

Some questions to ask before delegating anything:

- _____ is it that needs to be done?
- _____ does it need to be done?
- _____ does it need to be done?
- _____ would be the best **person** to do it?
- _____ must it be done?
- _____ much money is available for getting it done?
- _____ is needed for getting it done?

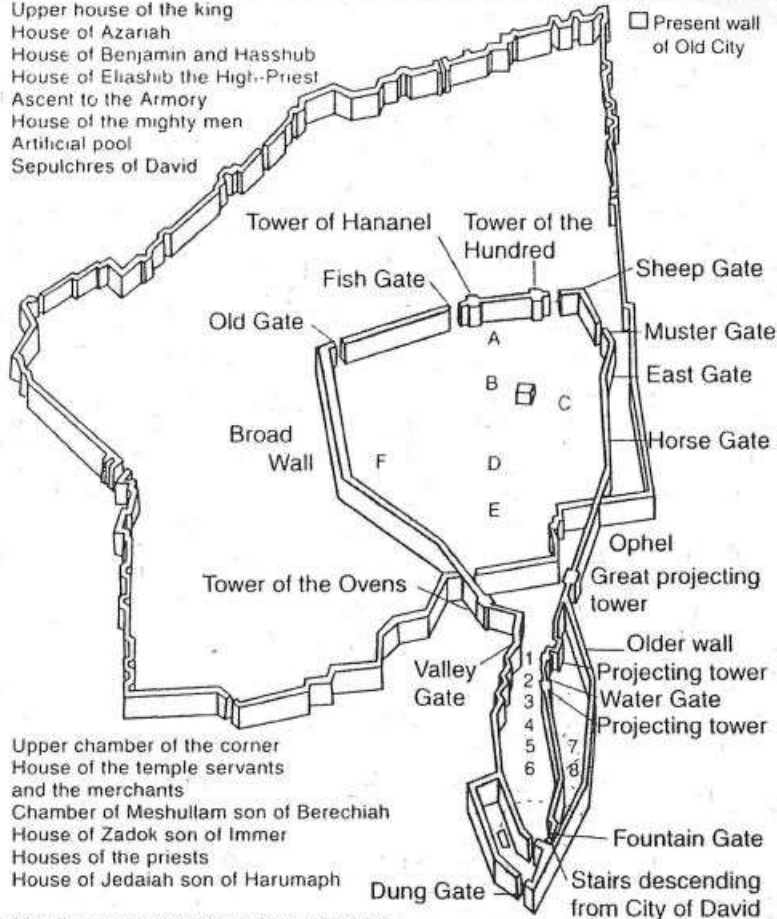

THREE...The _____ Principle

verse twelve (see screen)
